

SCALEFOUR SOCIETY

Subscription Renewal 1st March 2021 – 28th February 2022

Dear Member,

Another year has passed and it is subscription renewal time once again. We do hope that you will want to continue your membership of the Scalefour Society; if so then you can renew your subscription by filling in the form overleaf and returning it to me with either a cheque made payable to the 'Scalefour Society' or, at your own risk, with your credit or debit card details *. Please note there is no need to send a SAE. Thank you.

Additionally there is a secure online payment service available. If you are able to make use of this then please log on to the Society's website at: www.scalefour.org, and click on the link: '**Members can renew for 2021 here**'. This will take you to a SECURE online payment facility showing the subscription rates and boxes for the insertion of your name, membership number, and card details. We hope that the ability to pay by credit or debit card or via PayPal will be particularly useful for European and Overseas members who have no UK bank account, and cannot therefore pay by direct debit or cheque. The direct link to this service is: www.scalefour.org/membership/renew.

*** NOTE: Renewals by debit or credit card. Our recommendation for renewing using a debit or credit card is to use the secure online renewal facility (details above).**

To assist with security for members who still wish to renew by post using a debit or credit card, we recommend not to enter your 3-digit security code from the back of your card on the form that you post. To use this additional facility you must provide a valid email address and we will then email you to confirm receipt of your renewal form and ask you to then provide your 3-digit security code by email to enable the transaction to be completed.

Subscription renewals for 2021/22 are due on 1st March 2021. The baseline rates have not changed this year, but a small adjustment has been made to the optional concessionary discount; this will continue but with a slight reduction to £2.00 as agreed by members at the 2019 AGM. In addition, the criterion for eligibility for seniors is now aligned to the UK pension age. **For this year only, because of the effect of coronavirus on the Society's finances, all subscriptions renewed before 31st March 2021 will attract a discount of £3.**

Please note Rule 4(b) – Subscriptions shall be payable on 1st March in each year. Members who fail to renew their subscriptions within three months of the due date shall be deemed, after that time, to have resigned their membership of the Society.

I do hope that you will continue with your membership of the Society. However should you decide not to do so and are definitely leaving I would be very grateful if you would take a few moments to complete the box below. If you are leaving, telling us your reasons will, we believe, help us to improve our society. If on the other hand you need any help with your renewal please let me know. You can contact me by post at the address overleaf, by email at memsec@scalefour.org or by phone at 01797 260192. Retaining our members is vital if we are to ensure the long-term future of the Society and if we are to continue building on the developments in P4 modelling that have taken place since the founding of the Scalefour Society in 1976.

We believe that membership of the Scalefour Society represents excellent value for money, with our first-rate journal, Scalefour News; the Society Shows, with their demonstrations, lectures and workshops; the Stores, with new ranges; our website, the Scalefour Forum and our extensive network of Area Groups. We are also always looking to develop initiatives that will do even more to help people progress and develop their railway modelling skills.

Finally, if you are renewing, many thanks for your continued valuable support and if you aren't then I'd like to thank you for your past support and wish you good fortune in your future endeavours.

Thank you and I look forward to hearing from you.

Steve Carter
Membership Secretary

If you are not renewing, a few words of feedback telling us why would be appreciated. Please don't forget to include your name and membership number. Thank you.
